Thanks to Fronto Lock Screen, you will find interesting articles, recommendations and promotions right on the lock screen. If you delete the right one as usual, it will bring you to your home screen. The link takes you to the website or Google Play to review new applications or services. How does it work? Use your phone as usual. You don't have to swipe left or right, upload applications, fill out surveys, or do anything. If you watch ads, click on the screen, or convert through ads, don't increase your points. What will I see on the lock screen? 1. Boring Curated News Articles 2. Interesting Benefits and Purchase Information You'll Like 3. One of the points you should worry about is how much have I earned for scening results? It depends on who you are, where you live and when you use the application. Another moment is used when you live from the US. If you want to earn as much income as possible, use Fyber or Tritay Offer Wall. Showing more ads or clicking on an ad is not connected to metrics at all. How can you say my prizes? Amazon.com gift cards, Google Play gift card, egftcard targeted, Walmart Egift card, steam wallet loan, PayPal and so on. You don't have to wait 3-4 days to get gift cards or PayPal money. Please note that the scores depend on the dollar amount of the partner you choose. **Limitations** - Frontline does not work with rooted phones. - Frontline supports certain countries only through Google Play. Moving to the right will, as always, take you to the main screen. A left shift will take you to the website or Google Play where you can discover new applications or services. How does it work? Use your phone as usual. You don't have to scroll left or right, install apps, answer surveys, or do anything. Viewing ads, clicking on ads, or converting with ads will not increase your points at all. What will I see on the lock screen? 1. Organized press articles that won't bore you. 2. Attractive benefits and shopping information that you will love 3. Good ads that should interest you, how many points can I win for scanning? It depends on who you are, where you live, when you use the application, etc. If you live outside the United States, a different point will apply. If you want to maximize your earnings, use Fyber or TrialPay offers. You see more ads or click on ads that are completely unrelated to your points. How do I claim my prizes? You can exchange your points for Amazon.com gift cards, Google Play gift card, Target gift card, Walmart gift card, Steam Wallet, PayPal, etc. The transaction takes place in real time! You don't have to wait 3-4 days to get gift cards or PayPal money. It should be remembered that the dollar rate depends on the chosen partner. ** Limitations ** - Fronto does not work with phones. - Fronto is only supported in some countries via Google Play.
