Click Here for Classical Guitar Hymns "Amazing Grace" is one of the many beautiful hymns known throughout the world today. This traditional song contains beautiful lyrics and an inspiring melody. It's a staple of both sacred, and secular music. You can hear it in many musical settings. From your local church to the town's sports arena. English clergyman John Newton wrote the lyrics for "Amazing Grace" in 1772. He wrote the hymn for his prayer group that met weekly. It was Newton's goal to write a different Christian hymn for every meeting. The English poet published many of the hymns in 1779 but they did not immediately spark interest. Throughout its history, "Amazing Grace" has had different musical settings. American composer William Walker published the version most popular today. He combined the lyrics of Amazing Grace with the hymn tune "New Britain". It received widespread acclaim, particularly among churches in the south. Over time the piece has become well known outside of religious settings. "Amazing Grace" has appeared in films, television, and radio. Many singers and musicians in popular music have recorded the song. It is a staple in American pop culture, often performed during sports games and other venues. To learn how to play "Amazing Grace" on guitar, consider the full course offered at The Woodshed® Classical Guitar Program. It offers insight into musical phrasing, technique, chords, and more. Here are the original lyrics written by John Newton: Amazing grace! (how sweet the sound) That saved a wretch like me! I once was lost, but now am found, Was blind, but now I see. 'Twas grace that taught my heart to fear, And grace my fears relieved; How precious did that grace appear, The hour I first believed! Through many dangers, toils and snares, I have already come; 'Tis grace has brought me safe thus far, And grace will lead me home. The lord has promised good to me, His word my hope secures; He will my shield and portion be, As long as life endures. Yes, when this flesh and heart shall fail, And mortal life shall cease, I shall possess, within the veil, A life of joy and peace. The earth shall soon dissolve like snow, The sun forbear to shine; But god, who called me here below, Will be for ever mine. Allen started me on a really fun cycle of lessons and practice. He is a very good, and very enthusiastic teacher, and I feel that I'm on the road to learning. I couldn't be more pleased with my experience. ~ Peter Buck (r.e.m.) -Peter Buck (r.e.m.) I started as a folk guitarist, then fell in love with classical guitar in my 20's. Despite a lot of practice and schooling, I still couldn't get my music to flow well. I struggled with excess tension. My music sounded forced. And my hands and body were often sore. I got frustrated, and couldn't see the way forward. Then, over the next decade, I studied with two other stellar teachers - one focused on the technical movements, and one on the musical (he was a concert pianist). In time, I came to discover a new set of formulas and movements. These brought new life and vitality to my practice. Now I help guitarists find

more comfort and flow in their music, so they play more beautifully. Click here for a sample formula. I also want to thank you for including more video lessons on the Bridges Guitar Series. I have learned to play Alcatayud's Waltz. The most exciting thing about having done this is that I sight-read the entire piece as I was learning it. I have it here in two keys friendly to the beginning guitar player who doesn't use a capo. The timing of the notation may look kind of funny; that's because I always double the note values for my beginners in order to avoid eighth notes. There's enough going on with learning guitar that I don't want timing to be an issue -- although this is a well-known tune, a lot of kids have not heard it.The key of G: Please scroll down the page for the download links. The man who penned the Amazing Grace hymn lyrics, John Newton, had been an Atlantic Sea slave trader, and knew that he was indeed the worst of wretches! A fairly recent book and movie, "Amazing Grace", tells the almost unknown story of how one Englishman, William Wilberforce, worked in Parliament diligently over many years to abolish the slave trade. Eventually he forced Parliament and the whole British nation to really SEE the horrors of the slave trade.Until Wilberforce, slavery had been common at all times, in all places, and in all cultures. Not until the end of his life - after many years - was he successful in persuading Parliament to outlaw --not slavery-- but the slave TRADE, which marked the beginning of the end for legal slavery in England, and ultimately all nations with a Christian heritage. Christian heritage? Yes -- for the sacred texts of the Christian faith claim that there is inherent equality of all souls before God... as Job said (Job 31:15): "Did not He who made me in the womb make him?" ...and as Paul the apostle told the Galatians (Galatians 3:27-28),"For as many of you as were baptized into Christ have put on Christ. There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus."
